

Assistant Superintendent's Report – November 2022

In Nov 2022, the 7<sup>th</sup> Division was without a nominee to become the Assistant to newly elected Superintendent Victor Gilbert. I agreed to take the position until a suitable candidate could be found. Much to everyone's delight, a volunteer has generously offered to serve as Assistant Superintendent, with a long-term goal of assuming the Superintendent's position. An announcement will be made at the Annual General Meeting.

Significant revisions to the Policy Manual have been crafted individually by Jim Guillaume, Ken Rutherford, and Larry Sebelley. Before I retire completely, it is my intention to consolidate them and present them to the Superintendent for approval. Concurrently, Ken Rutherford and I are again reviewing the Constitution and Bylaws to ensure things are up to date.

Respectfully submitted,

John Martin  
Assistant Superintendent
