

The Following Sub-Divisions have little to no significant activity during the 2022 year:

- Kootenay Region
- Revelstoke, Shuswap, and Thompson
- Okanagan
- 100-mile House to Prince George
- North of Prince George
- Bulkley Valley to Prince Rupert
- Tricities

The Surrey and Delta Sub-Division had “The Cloverdale Community Train and Hobby Exposition” on November 12. The event was held at the Cloverdale Fairgrounds and was held in Shannon Hall. This is Cloverdale’s first-ever hobby train show. 37 vendors have signed up with lots of things that will interest Model Railroaders and the public.
